CERRO GORDO DRIVING PERMIT

I, _____, have my parent's permission to drive a car to and from school. As part of that privilege, I understand I must purchase and display a permit, which costs \$15.00 per semester. I must obey all driving laws, all school rules pertaining to cars, and must park in the student parking lot.

I understand that once the car is parked in the proper parking space, I cannot occupy it or drive it until I leave for home after school. I also understand that violation of school rule pertaining to driving may jeopardize my driving privileges and result in disciplinary action against me.
