

# A 2nd Look

Vol. 19 No. 21

*Mrs. Swango's Class*  
Cerro Gordo Elementary School

January 27, 2017

## Teacher Feature

We had a great time celebrating the **100th Day of School** yesterday. The children brought in a variety of 100th day collections such as pennies, marbles, marshmallows, cereal, Legos, cars, army guys, beads, etc. Each student was given time to show & tell their collection. We also made 2 bags of 100 day trail mix, one to enjoy at school and one to take home. THANK YOU SO MUCH for food donations that allowed us to do this activity. (The leftover food will be shared at snack time.) I apologize for the late notice but our daily count was off and 100th day came a little earlier than expected. But everyone came through and we had an awesome 100th day! 😊

As we study Astronomy in chapter 9 of our Science book, we are getting an overview of our beautiful solar system and constellations in the night sky. After we finish the chapter, we'll look at each planet in more detail. The children are also learning what to look for in our current night sky...Venus, Mars, Orion, Taurus, Pleiades, the Big Dipper. If you see a clear night, bundle up, let your child be your guide to the heavens, and enjoy nature's show.

FYI...Pre-K and Kindergarten preregistration will be February 17th from 1-3pm in the elementary office. Be sure to bring the child's birth certificate with you.

Congratulations to **VINNIE** for passing all 26 levels of **Rocket Math Addition**. Way to go!

Check out 100th day pictures with my newsletter online (cgbrancos.org). Have a nice weekend.

—B. Swango :-)

## UPCOMING EVENTS:

Feb. 3—Midterm reports

Feb. 6—Discovery Education  
Testing Week

Feb. 13—1st & 2nd Grade  
Music Program 7pm
