## Teacher Feature

Well, this is it, 2nd grade is over! It's been a great year; we all very worked hard and are sooooo ready for summer! We thank **Mrs. Oberheim**, head room parent, for organizing special projects and class parties. I thank **all parents**—you sacrificed time helping with projects, homework, field trips, parties, treats, etc. Your children gained much from your involvement; I appreciate it (so do they). Thanks also to **PTA** for classroom treats plus many other things they did for us!

We had a fabulous **Park Day** yesterday. It was a blast! What a wonderful way to end our year!

Congratulations to these students who were honored at the **Awards Assembly** today for making their AR goal for ALL 4 quarters: **JILLIAN, MARLIE, JAKE, MARISSA, VINNIE, LUCAS M., VINNIE, EMERSON, and LUCAS W.!**  
**Awesome reading, everyone!**

I hope you enjoy the pictures on the CDR I made for the children and gave to them today. I will treasure these great memories of this special group of children.

***Students, thanks for being in my class; you've succeeded!*** The best way to be ready for next year is to have fun this summer, do **Study Island.com** & **Starfall.com**, and **READ, READ, READ**. Visit the library often, I will. See you next year in the hallways.  
—B. Swango ☺

**"10 Day Award" for  
Super Classroom  
Behavior:**

*Lucas M.,  
Jessa, Vinnie, Keenan,  
Jake, Jillian, & Lucas W.*

Congratulations to JESSA for  
passing all 26 levels of Rocket Math  
Subtraction! ☺

**It's been an  
awesome year!  
Have a "picture  
perfect" summer!**
