

CERRO GORDO ATHLETIC BOOSTER CLUB Scholarship Guidelines

The following is an outline of the guidelines for awarding Cerro Gordo Athletic Booster Club Scholarships to Cerro Gordo CUSD #100 seniors.

GOAL

The goal of the Cerro Gordo Athletic Booster Club Scholarship Awards is to encourage CGHS students to pursue a college education and to reward and recognize outstanding performance in, and contributions to, Cerro Gordo High School. This is achieved by awarding scholarships to those deserving seniors who typify the highest standards of academic performance, participation in activities, leadership and character.

Scholarships are awarded to college bound seniors who have demonstrated a high level of participation in high school and have made a significant contribution to Cerro Gordo High School through participation, academics, leadership and community involvement.

DESCRIPTION

Scholarships will be awarded to graduating student athletes that plan to continue his/her education at an institution of higher learning. These scholarships are given annually to one or more deserving athletes.

Note: The number of scholarships presented each year will vary. The scholarship awards are determined by the Cerro Gordo Athletic Booster Club Board based upon funds and needs available in each given year.

The scholarship should be based on athletic endeavors, extra-curricular activities, desire, determination and good sportsmanship rather than emphasis on athletic ability.

President will only vote to break a tie. The committee shall meet annually in April/May and read through each applicant's completed application carefully for consideration. The scholarship recipient shall be chosen through silent majority vote. The recipient(s) shall be awarded the scholarship in May during Honors Night of the respective year. Presenting award will consist of chosen Cerro Gordo Athletic Booster Club Officers. A check for the scholarship(s) will be issued to the student by the current Booster Club Treasurer.
