

CGYL Scholarship

The goal of the Cerro Gordo Youth League Scholarship is to encourage CGHS students to pursue a college education and to reward and recognize outstanding performance in, and contributions to Cerro Gordo Community.

This is achieved by awarding scholarships to those deserving seniors who exemplify the highest standards of academic performance, participation in activities, leadership, and character.

Scholarships will be awarded to graduating student athletes that plan to continue his/her education at an institution of higher learning. These scholarships are given annually to one or more deserving athletes. The consideration for the scholarship is based on athletic endeavors, extra-curricular activities, desire, determination and good sportsmanship rather than emphasis on athletic ability.

Scholarships are awarded to college bound seniors who have demonstrated a high level of participation in youth league sports and have made a significant contribution to Cerro Gordo High School through participation, academics, leadership, and community involvement.

Note: The number of scholarships presented each year will vary. The scholarship awards are determined by the CGYL Board based upon funds and needs available in each given year.
