Dear Cerro Gordo School District families,

Summer vacation will come to a close in a few weeks and with that comes the start of a new school year. Online registration for Cerro Gordo CUSD #100's returning PK-12 students will open on Friday, August 5th. For families with students that are new to Cerro Gordo, enrollment and registration are different. Such students will go through the enrollment process one time and then go through the registration process each new school year. To enroll a new PK-5th grade student at Cerro Gordo Elementary School, please come to the CGES office on August 8th or 9th, from 8:00-3:00 to fill out the new student enrollment paperwork. To enroll a new student in grades 6-12 you can come to the Jr/Sr High School office on August 8th or 9th, from 8:00-3:00 to fill out that paperwork.

For returning students and families, you can register your child through your Skyward account. Feel free to give us a call if you have any questions regarding online registration. Please note that our summer office hours are Monday-Friday, 8:00 AM - 3:00 PM.

Cerro Gordo Jr/Sr High School Back to School Orientation Night

I also wanted to take this opportunity to communicate the agenda for Cerro Gordo Jr-Sr High School's back to school orientation night, which will be Thursday, August 11th. The building will be open from 5:30-8:00 for any student grades 6-12 who would like to pick up a hard copy of their schedules, meet some of their teachers, tour the building, put supplies in their lockers, etc. This is a good opportunity for families to turn in the required fall sports paperwork (physical forms, registration fees, concussion forms). This is also a good opportunity to request any schedule changes. Throughout the evening there will be the following grade specific meetings...

- 5:30-5:45 PM All Heartland Tech Academy students and Richland Transfer Academy students will meet in the High School commons to review new information. This meeting is required for HTA/RTA students.
- 6:00-6:30 PM Orientation for all incoming 6th grade students and families will take place in the Auditorium. General information regarding schedules, handbook policies, school procedures, etc. will be covered. After the meeting students/families will be able to pick up their schedules, pick up chromebooks, and tour the building. Students can bring school supplies, practice
